### **The Rule of Law**

*An appreciation that living under the rule of law protects individual citizens and is essential for their wellbeing and safety. An understanding that there is a separation of power between the executive and the judiciary, and that while some public bodies such as the police and the army can be held to account through Parliament, others such as the courts maintain independence.*

- Classes creating "class rules" which are on display.
- Having a clear behaviour policy that is explained to all and is consistently reinforced by all staff.
- Pupils are taught the rules and expectations of the school. These are discussed and reinforced in assemblies, class time, in PSHCE, at break and lunch time and are referred to by all school staff, teachers and non-teachers alike.
- Prefects help to supervise behaviour.

- All pupils are encouraged to participate in all school activities.
- Pupils are encouraged to know, understand and exercise their rights, responsibilities and personal freedoms and receive advice about how to exercise these safely, for example through our exploration of E-Safety.

- Having a mission statement that is inclusive.

## **Tolerance of those with different faiths and beliefs**

- Religious Education provides pupils with a deep understanding of their own faith as well as awareness of the faith and traditions of other religious communities as a basis for understanding and respecting them.
- Our curriculum follows the teaching of the Church in providing a broad and balanced education, which includes an understanding of and respect for people of other faiths or none and other religions, cultures and lifestyles.
- Recognising and celebrating that we live in a culturally diverse society.
- Visitors from different faiths are invited to speak at assemblies.
