Wednesday 29 April 2020

Dear girls and boys,

I am writing to thank you for all the hard work that you are doing for your teachers on DB Primary. We know it is hard for you to work at home without your teacher to guide you, but you are doing a brilliant job. It is difficult for your teachers too, they have never been asked to teach in this way before. I think that they are doing a great job also.

I have seen many of the designs that you have made for our new school logo. That was your homework over Easter! They are brilliant and so clever. Well done all of you!

You will have now heard a lot about Coronavirus and the strange things that are happening and I know that your parents will be helping you to understand. But please do not worry, so many brilliant people such as doctors, nurses and scientists, are working hard to end this problem, and so many more people in our community are working hard to help us all.

When I walk home from school, I see lots of windows of houses displaying rainbows to show that you are thinking of all those who are helping us at this time. If you have made one of these, well done. It shows how thoughtful you are. I will be telling your parents about a rainbow colouring competition soon. Rainbows are colorful and spread hope for everyone.

We miss you being in school, but know that we are doing the right thing by staying at home to stop Coronavirus spreading. It is affecting all of our lives in different ways, and when you get older you will remember this time so well, and will even tell your own children about how brave you were! If you feel scared or upset, always tell your parents so that they can help and comfort you.

We do not know when St George's will reopen to welcome all of you back, but stay positive. Being away from our lovely school will not last long! I will keep writing to your families to keep them up to date. Until then, use the prayer below to keep praying for all those affected by Coronavirus. You can pray silently, pray aloud or with your family. In the sixth line, tell God how you are feeling. In school, we are keeping all of you in our prayers too.

A prayer remembering God is with us

Lord God, you are always with me.

You are with me in the day and in the night.

You are with me when I'm happy and when I'm sad.

You are with me when I'm healthy and when I am ill.

You are with me when I am peaceful and when I am worried.

Today I am feeling *(name how you are feeling)* because *(reasons you are feeling this way)*.

Help me to remember that you love me and are with me in everything today.

Amen.

Yours Sincerely,

Mr P O'Rourke
Headteacher
