- Missing number problems

Year 1, spring Term 1, January to February 2025

RE

Galilee to Jerusalem

In this branch, pupils are introduced to the belief that through Jesus' ministry, many recognised him as the Son of God. Pupils will reflect on the significance of biblical events, such as the recognition of Jesus by Simeon and Anna, who see beyond the baby to the truth of his divinity. We will focus on St. Luke's' portrayal of Jesus as a compassionate figure who reaches out to society's marginalised. Including the poor. Women and outsiders. We will explore how Jesus' character attracts followers and demonstrated love and kindness.

CST Peace and Solidarity

Science

Naming and Describing Materials

we will learn-Everything around us is made of materials. Some materials are natural materials, and we use them without modifying them. Some materials are manufactured materials, natural materials that have been made into another material. To use our senses to explore materials.

Computing

Skills showcase– rocket to the moon. To know- When we create something on a computer it can be more easily saved and shared than a paper version. Some of the simple graphic design features of a piece of online software and A spreadsheet is an electronic table for sorting data.

Focus China

Foundation Subjects

Geography

What is it like to live in Shanghai?

Using a world map to start recognising continents, oceans and countries outside the UK with a focus on China. Children identify physical features of Shanghai using aerial photographs and maps before identifying human features, through exploring land-use. They compare the human and physical features of Shanghai to features in the local area and make a simple map using data collected through fieldwork

Art, DT

Painting and mixed media:

Colour splash-

In this unit children learn about primary and secondary colours, colour mixing techniques, and applying these skills in painting and printing. The lessons encourage exploration and confidence in colour use, culminating in creating a painted plate in the style of an artist. This unit enhances pupils' understanding of colours and their applications in art.
