In everything we do today, we're following Jesus and his way

Merits... Each week, teachers nominate children in their class to receive a special merit. A fundamental part of the faith life of a school is to support the 'common good' and one of the ways we do this is by **charity** donations. A week after announcing the incredible total raised through the Lepra Workout it is wonderful to make another fantastic contribution to Children in Need. It is always lovely to see children wanting to play a full and active part in fundraising, and as well as everyone sporting marvellous creations on tops of their heads, a special thank you must also go to the girls from 4K for their bake sale.

The **flu vaccine** was administered this morning at school. According to the nurses, our school had the biggest take up so far in the borough of Enfield. When you consider the growth in flu cases in the past few years, this is great news indeed. A 'mop up' clinic is available for those who could not attend today, or indeed for those who did not give consent

and may have changed their minds. It is being held at Cedar House, St Michael's Hospital Site, EN2 0JB on Thursday 28 December and Tuesday 2 January. No need to book,

turn up between 10am and 1.30pm. The number to call for any queries is 020 8702 followed by either 4119, 3094 or 4829.

The **PTA Christmas Fair** sounds really exciting. The weather forecast for Saturday is lovely, but very cold!
