Our cross country teams performed admirably at Forty Hall in the autumn term. It is always a testing course but a great achievement to get around so confidently. Well done everyone for representing our school with such energy and enthusiasm.

Cross Country

The year 3/4 cross country event took place over a challenging 1300m course at Lea Valley Athletics Centre in March. With brilliant parental support, our boy runners came 6th in their race, with the girls achieving a medal position, coming second in their race. Each and every runner did themselves proud and were wonderful ambassadors for our school, resplendent in the NEW St George's athletics kit. What a wonderful afternoon!

Netball

The High 5 Dragons represented our school in the spring netball league that took place on Tuesday evenings at Enfield County School. High 5, an adaptation of netball, is an exciting and skilful sport designed for girls and boys to play on the same team.

We are delighted that our team were unbeaten throughout the tournament, topping the league in an impressive season.

St George's were proud participants in the Enfield Dance Festival in March. The children performed a Musical Theatre dance from Mary Poppins, and looked brilliant as Chimney Sweeps.

Sports Day 2025

A cooler couple of days welcomed our Sports Days for 2025. In order to create a better atmosphere, we combined phases and changed our events slightly to create more excitement. We also introduced the Sports Day Trophy for the overall winners, the honour of which this year went to St Francis of Assisi. It was great to see so many parents proudly wearing the colours of their children's houses, including those who took part in the parents races. In response to the 25 parents that beat him in the races, Mr O'Rourke donated £25 to The Passage charity.

Borough Athletics

The prestigious Borough Athletics was held on a blazing hot day in July. We put in fantastic performances in all events and boasted three wins! It is always a privilege to compete in a professional arena such as Lea Valley, creating lifelong memories for the children.
