# Things to remember...

[www.eadmissions.org.uk](http://www.eadmissions.org.uk)  
[www.enfield.gov.uk/admissions](http://www.enfield.gov.uk/admissions)

- Find out more about all the schools you are interested in, especially those in your local area.
- Check out school websites for up-to-date information about opportunities to visit – open evenings are planned but schools may have to make changes at short notice.
- Look at the previous years admissions data and criteria.
- Distance counts for many schools and will often be a deciding factor if there are more applications than places available.

# Things to remember

- If you are considering schools outside Enfield, look at other authority websites for details as it may be different to Enfield's
- Check if you need to complete a supplementary information form
- Complete all applications in full
- Nominating only one school will not improve your chance of getting a place. Nor will putting the same school multiple times – if you do this your application will only be considered after all other application have been processes
- Be aspirational but also realistic

# Things to remember

- Make an informed decision. Consider first hand, accurate and up to date information
- Speak to your child's primary school
- Be realistic.
