Admissions Policy 26.27

St. George's Catholic Primary School was founded by the Catholic Church to provide education for children of Catholic families. As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. St George's welcomes applications for children of all faiths and of none and all applicants are expected to give their full, unreserved and positive support for the aims and ethos of the school.

The governing body is the admission authority and has responsibility for admissions to this school. The local authority undertakes the co-ordination of admission arrangements during the normal admission round. The admission authority has set the school's Published Admissions Number ("PAN") at 60 pupils to be admitted to the reception year in the school year which begins in September, 2026. Applications for Reception are welcome from families whose child reaches his/her 4th birthday between 1st September 2025 and 31st August 2026.

Whenever there are more applications than places available, priority will always be given to Catholic applicants in accordance with the Trust Deed of the Diocese of Westminster. Applications will be ranked using the oversubscription criteria listed below.

In this policy applicant refers to the person making an application on behalf of a child; candidate refers to the child on whose behalf the application is being made.

OVERSUBSCRIPTION CRITERIA

Where there are more applications than the number of places available, places will be offered according to the following order of priority:

1. Catholic 'looked after' children and previously 'looked after' children, who have been adopted or made subject to child arrangements orders or special guardianship orders.
2. Baptised Catholic children with a Certificate of Catholic Practice, who are resident in the Parish of Our Lady of Mount Carmel and St George in the borough of Enfield.
3. Baptised Catholic children with a Certificate of Catholic Practice, who are resident in the Parishes of St Monica's, St Edmund's, Mary Mother of God (Ponders End), Christ the King (Cockfosters) and St Joseph's (Waltham Cross).
4. Other baptised Catholics with a Certificate of Catholic Practice

5. Other baptised Catholics.
6. Other 'looked after' children and previously 'looked after' children who have been adopted or made subject to child arrangements orders or special guardianship orders.
7. Catechumens and Members of other Eastern Christian Churches
8. Other children who have a sibling at the school at the time of application
9. Children of other Christian denominations whose application is supported either by a certificate of baptism or by a letter from their Minister of Religion confirming membership of the faith community.
10. Children of other faiths whose application is supported by a letter from their religious leader, confirming membership of the faith community.
11. Any other children.

Within each of the categories listed above, the following provisions will be applied in the following order.

- (i) Where evidence is provided at the time of application of an exceptional social, medical or pastoral need of the child which can most appropriately be met at this school, the application will be placed at the top of the category in which the application is made.
- (ii) The attendance of a brother or sister at the school at the time of application will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made after children in (i) above
- (iii) After children in (i) and (ii) above, priority will be given to children of members of staff who have been employed at the school for two or more years at the time of application and will continue to be employed at the school at the point of admission or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage

EXCEPTIONAL NEED

The admission authority will give top priority, after the appropriate category of looked-after children, to an application where compelling evidence is provided at the time of application, from an appropriate professional such as a doctor, priest or social worker, of an exceptional social, medical, pastoral or other need of the child, which can only be met at this school.

MULTIPLE APPLICATIONS

The admission authority will, where logistically possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's PAN.

APPLICATIONS IN PREVIOUS YEARS

In recent years the admission authority has been pleased to admit children from all categories.

TIE BREAK

Where the offer of places to all the applicants in any of the sub-categories listed above would still lead to oversubscription, the places up to the admission number will be offered to those living nearest to the school as measured in a straight line from the applicant's home to the school. The measurement will be conducted by the Local Authority (LA). All distances will be calculated by the admissions IT system using Address-point. This provides a national grid co-ordinate and a unique reference for each postal address in Great Britain. The grid reference is provided to a resolution of 0.1 metres (10 cm). The accuracy of each Address-point is such that each point will fall within the addressed building. In the case of a multi-occupancy buildings such as flats where there may only be one address point, priority will be given to the applicants whose door number is the lowest numerically / or alphabetically. In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out and supervised by a person independent of the school. All the names will be entered into a hat and the required number of names will be drawn out.

FAIR ACCESS

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admissions round, the admission authority is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol. The admission authority has this power even when admitting the child would mean exceeding the published admission number.

APPLICATION PROCEDURE for 2026 – 2027

In order to make an application, you must complete a common application form (CAF) from your local authority either on line or on paper and return it to them. If you are applying under criteria 2 to 6 , or 8, 10 or 11 you should also complete the School's Supplementary Information Form (SIF). Whilst this is not compulsory, the information on the SIF enables the admission authority to assess your application fully against the School's criteria in the event of oversubscription. Please return the SIF (in person or by post) to St George's Catholic Primary School office, together with all other relevant paperwork required for your application. If you do not complete both of the forms described above and return them by 15th January 2026, the admission authority will be unable to fully consider your application against the oversubscription criteria and your child may be ranked under the lowest criterion and this may affect your child's chance of being offered a place.

CHILDREN EDUCATED OUTSIDE THEIR CHRONOLOGICAL AGE GROUP (except Reception applications for summer born children)

Parents may apply for their child to be educated outside his/her chronological age group i.e. a year behind or a year ahead. Application should be made to the Chair of Governors at the time of application and any supporting evidence should be submitted at the same time. The admission authority will consider each case on its own merits and permission will only be given in exceptional circumstances.

CERTIFICATE OF CATHOLIC PRACTICE

Applicants applying under criteria 2, 3, 4 and 5 must submit a Certificate of Catholic Practice (CCP) by the closing date. The Certificate is available from the priest at the parish where the family normally worships or from the diocesan website. It is the parent's duty to ensure that the CCP is submitted to the school in good time. The priest will only give you the Certificate if he knows you. You will need to get a separate Certificate signed for each Catholic school that requires one.

The local authority will inform you of the outcome of your application on behalf of the admission authority, on or about 16th April 2025. This information will also be available on line for those who have submitted an e-application. Parents/carers should accept or decline the place as soon as possible.

LATE APPLICATIONS

Applications received after the closing date will be dealt with after the initial allocation process has been completed. If the school is oversubscribed it is very unlikely that late applicants will obtain a place.

RIGHT OF APPEAL

If you are unsuccessful, you may ask us for the reasons for the refusal of a place. These reasons will be related to the oversubscription criteria listed in the policy and you will have the right of appeal to an independent panel. Should you wish to appeal please contact the school as soon as possible for an appeal form on which you must list your reasons for making an appeal. Appeals must be submitted to the school in writing by Friday 22nd May 2026.

WAITING LIST

In addition to their right of appeal, unsuccessful candidates will be offered the opportunity to be placed on a waiting list. This list will be maintained in order of the oversubscription criteria set out in the policy and not in the order in which applications are received or added to the list. Names will be removed from the list on 31st August 2026, unless applicants request in writing to remain on the list.

PUPILS WITH AN EDUCATION, HEALTH AND CARE PLAN (EHC)

The admission of pupils with an Education, Health and Care Plan (EHC) is dealt with by a completely separate procedure. (This used to be called a Statement of Special Educational Needs). Details of this separate procedure are set out in the Special Educational Needs Code of Practice. If your child has an EHC plan you must contact your local authority SEN officer. Children with this school named in their EHC Plan will be admitted.

CHANGE OF DETAILS

If any of the details on either of your forms changes between the date of application and the receipt of the letter of offer or refusal, you must inform the School and the local authority immediately. If misleading information is given or allowed to remain on either of your forms, the admission authority reserves the right to withdraw the place, even if the child has already started at the School.

IN-YEAR ADMISSIONS

Applications for In-Year admissions are made directly to the school. If a place is available and there is no waiting list the child will be admitted. If there is a waiting list, then applications will be ranked by the admission authority in accordance with the oversubscription criteria. If a place cannot be offered at this time then you may ask us for the reasons and you will be informed of your right of appeal. You will be offered the opportunity of being placed on a waiting list. This waiting list will be maintained by the admission authority in the order of the oversubscription criteria and not in the order in which the applications are received. Names are removed from the list at the end of each academic year. When a place becomes available the admission authority will re-rank the list and make an offer to the person at the top of the list. The local authority will be informed of the offer as soon as it has been accepted.

RECEPTION YEAR DEFERRED ENTRY

Applicants may defer entry to school up until compulsory school age i.e. the first day of term following the child's fifth birthday. Application is made in the usual way and then the deferral is requested. The place will then be held until the first day of the spring or summer term as applicable. Applicants may also choose for their child to attend part-time until compulsory school age is reached. Entry may not be deferred beyond compulsory school age or beyond the year for which the application has been made. Therefore applicants whose children have birthdays in the summer term may only defer until the 1st April 2027.

SUMMER BORN CHILDREN

If a parent wishes his/her summer born child to start school in Reception in the September following his/her 5th birthday i.e. a child born between 1st April – 31st August being admitted to Reception at 5 years of age, they should make the school aware of this by writing a letter to the Chair of Governors at the time of application. Parents must then submit an application in the normal way for the year in which they wish their child to start school. This application will be treated in the same way as all other applications and there is no guarantee that an offer will be made.

NOTES (these notes form part of the oversubscription criteria)

‘Looked after or previously looked after’. A ‘looked after child’ has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making an application to the school.

A ‘previously looked after child’ is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to child arrangements order or special guardianship order. Included in this definition are those children who appear (to the admission authority) to have been in state care outside of England and who ceased to be in state care as a result of being adopted.

‘Child Arrangements Order’. A Child Arrangements order is an order under the terms of the Children Act 1989 s.8 settling the arrangements to be made as to the person with whom the child is to live. Children ‘looked after’ immediately before the order is made qualify in this category.

‘Special Guardianship Order’. A special guardianship order is an order under the terms of the Children Act 1989 s.14A appointing one or more individuals to be a child’s special guardian(s). A child ‘looked after’ immediately before the order is made qualifies in this category.

‘Parent’ means the adult or adults with legal responsibility for the child.

‘Sibling’ means brother or sister, to include adopted brothers and sisters, half, step or foster brothers and sisters.

‘Catholic’ means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a Certificate of Baptism in a Catholic church or a Certificate of Reception into the full communion of the Catholic Church. For the purposes of this Policy this includes a looked-after child who is part of a Catholic family and in the process of adoption, where a priest’s letter demonstrates that the child would have been baptised or received were it not for their status as a looked-after child.

For a child to be treated as Catholic, evidence of baptism or reception into the Church will be required. Those who have difficulty in obtaining written evidence of baptism should contact

their Parish Priest who, after consulting with the diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the laws of the Church.

‘Certificate of Catholic Practice’ means a certificate issued by the family’s parish priest (or the priest in charge of the church where the family attends Mass) in the form laid down by the Bishops’ Conference of England and Wales. It will be issued if the priest is satisfied that at least one Catholic parent or carer (along with the child, if he or she is over seven years old) have (except when it was impossible to do so) attended Mass on Sundays and holy days of obligation for at least five years (or, in the case of a child, since the age of seven, if shorter). It will also be issued when the practice has been continuous since being received into the Church if that occurred less than five years ago. It is expected that most Certificates will be issued on the basis of attendance. A Certificate may also be issued by the priest when attendance is interrupted by exceptional circumstances which excuse from the obligation to attend on that occasion or occasions. Further details of these circumstances can be found in the guidance issued to priests <http://rcdow.org.uk/education/governors/admissions/>

‘Catechumens’ are persons who wish to be baptised and have been accepted into the Order of Catechumens by the appropriate liturgical rite.

The **‘Eastern Christian Churches’** (other than the Eastern Catholic Churches) include the Orthodox Churches and other Eastern Churches whose sacraments are recognised by the Catholic Church.

‘Children of other Christian denominations’ means children who belong to other churches and ecclesial communities which, acknowledge God’s revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God’s will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTÛN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

‘Children of other faiths’ means children who are members of a religious community that does not fall within the definition of ‘other Christian denominations’ at 7 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:

- A religion which involves belief in more than one God, and
- A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

'Resident' – A child's "home address" refers to the address where the child usually lives with a parent or carer, and will be the address provided in the Common Application Form ("CAF"). Where parents have shared responsibility for a child, and the child lives for part of the week with each parent, the home address will be the address given in the CAF, provided that the child resides at that address for any part of the school week.

'Parish Boundaries' – for the purposes of this Policy, parish boundaries are as shown on the attached map.

'Distance from school' means distance as measured by a straight line, from the front door of the child's residential address (including flats) to a point at the school (see 'tie-break').
