This Week's Merits

Each week, teachers nominate children in their class to receive a special merit. This could be in recognition for working hard, achieving something particular, being a good friend, or any number of reasons that show that they are living up to the school motto - 'In everything we do today, we are following Jesus and his way.' The following children have been chosen by their teachers (CM = Class Merit).

Class	Name of children
RG	Ciara, Marcel
RS	Tomas, Benjamin
1K	Lionel, Leonardo
1W	Delfina, Edwin
2B	Finley, Conor
2GB	Rico, CM
3A	CM
3M	Ava, Thomas
4DS	Jude, Rianna
4OS	Sean, Victorious
4P	CM
5B	Mass at Church
5CN	Mass at Church
5S	Mass at Church
6B	CM
6K	CM
6W	CM
Music	Sara (3M), Cara (RS)

Year 5 reconciliation

Thursday 19 March

Parent consultations (face to face) 3.40 - 6pm
Enfield Dance Festival

Friday 20 March

Non-uniform Day (£1 each) for Mary's Meals
RS Stay and Play
Year 4 reconciliation

Our Easter preparations continue to progress with three of our Key Stage 2 year groups participating in reconciliation services next week. These services are always special moments of spiritual reflection, and we are very grateful for Fr Daniel's support. We wish Year 4 the best of luck as they lead Mass at Our Lady of Mount Carmel and St George tomorrow. If you are able, please join them at 10am at our parish church. A big thank you to Class 2GB for your lovely St Patrick's Day assembly this morning.

Next Friday, we will hold a non-uniform day to raise funds for Mary's Meals, who led an assembly for the children at the start of Lent. This charity is the focus of our Lenten almsgiving this year, and we appreciate your support.

It has been an exciting week at school. Our 'Mother Nature' science workshops were full of energy and new learning, promoting STEM subjects in a fun and engaging way. Mrs Chambi, our Science Leader, was delighted with the children's enthusiasm and participation.

Congratulations to our High 5 Netball team for winning both of their games this week! We also want to commend our Year 3/4 cross country runners, who performed brilliantly in the rain at Lee Valley on Friday.

Good luck to our dance club as they prepare for their performance at the Enfield Dance Festival next week. I have heard that your routine is stunning! Best wishes also to all the children performing for their parents at the Rock Steady concert next Friday.

Finally, I hope your upcoming parental consultations are positive and helpful. We highly value our partnership with parents, as working together is essential to giving our children the best chance to thrive in their learning.

"We may have bad weather in Ireland, but the sun shines in the hearts of the people and that keeps us all warm." (M Williamson)

All Things Sport...

With only one round of matches to play in the High Five Netball season, the league table makes very exciting reading. Congratulations to the team on their unbeaten campaign, and we wish them the very best of luck for the matches on Tuesday 24 March.

Our year 3/4 cross country runners made us all proud on Friday as they battled a tough course and cold, wet conditions. The finishing positions of all the runners are combined to obtain a team score and I am pleased to inform you, that out of 17 schools participating, our girls came 9th and our boys 8th. ALL of our runners did so well. A special mention, of course, to Sonari, who achieved a remarkable second place in her race. Congratulations to her for her well-earned medal in a race that had 102 runners!

Well done Bernie, Toby, Hugo, Roisin, Isla, Rosie, Mia and Leon. Congratulations to Sonari pictured below in full flow and receiving her medal.

Upcoming Dates

Advance warning of some key school dates. The school calendar is constantly updated on the school website, under the parents information section.

March 2026

April

Mon 13th School reopens

Please consult the calendar section of our school website where dates for the year ahead are continually updated.

British Science Week

Over the past few days, all of our pupils have enjoyed a range of activities to celebrate British Science Week. The highlight was the workshops led by 'Mother Nature Science,' which brought science to life in an engaging way. We would like to sincerely thank all parents who made financial contributions to support these enrichment activities. Your generosity makes it possible for the school to provide valuable experiences that enhance the children's learning and help develop their scientific skills. At St George's, we are committed to delivering high-quality science and fostering pupils' curiosity and understanding of the world around them. Your continued support plays a vital role in achieving this aim. Thank you for helping us make these opportunities possible.

mary's meals

a simple solution
to world hunger

On **Friday 20th March**, we will be holding a **non-uniform day** to help raise money for the charity 'Mary's Meals'. £1 donation on Parent Pay please. Mary's Meals helps to serve nutritious meals to some of the world's poorest children.

Donating to this charity is part of our almsgiving this Lent.

Thank you.

"For I was hungry and you gave me something to eat."

(Matthew 25: 35)
