

Welcome to Year 6's Leaver's Liturgy

Morning Offering

O Jesus,
through the most pure heart of Mary,
I offer you all my prayers,
thoughts, works and sufferings of this
day
for all the intentions of your most
Sacred heart

As I work and play today,
I'll follow Jesus and his way,
through day and night, darkness or
light,
he's always by my side.

Help me on my path, Lord,
see your face and know your heart,
strengthen in me,
the gift of faith,
in you, I do believe

St George, he gives me courage,
to do what's right and know what's wrong
the talents you gave, I'll use, not save,
to show them to the world.

Though sometimes I struggle
feel like giving up too soon,
wherever I go, whoever I see,
they'll see you Lord in me.

Dear Lord,

We thank you for all the great things we have done at St. George's.

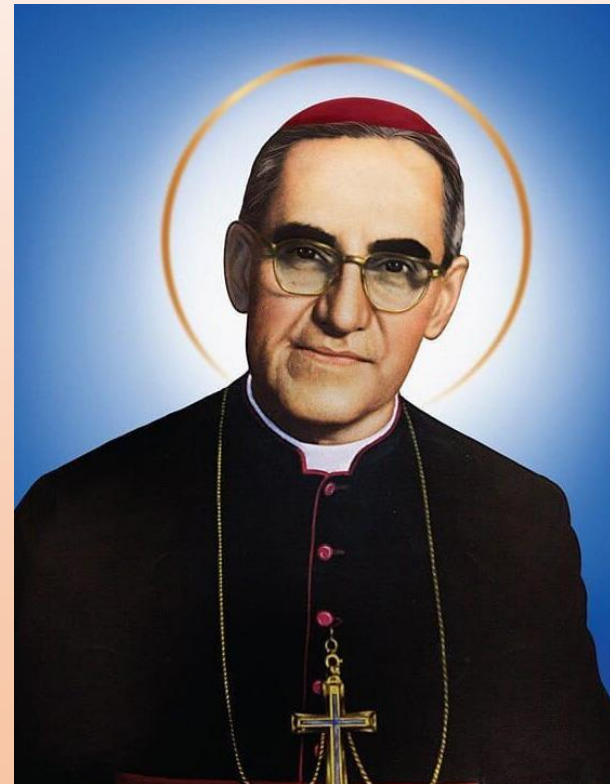

We have learnt so much; we have had fun; we have grown up.

Look after us as we prepare for a new and exciting future in our new secondary schools.

Help us stay true to the faith and values that have been so important to us in this school.

Like Oscar Romero, help us aspire to be more.

Amen

If the earth has a voice
What would it say?
Over worked and mistreated
Day after day
It's our common home

She'd say all is connected
all living things
every work of creation
we're made to sing
in harmony, in harmony

Every action, makes a difference
every voice, has a mission
Oh we can hear the cry of mother earth
I see beauty all around me
The earth is a treasure to be-hold
The mountains and valleys the rivers and
seas
Are telling the story of your love for me
Praise be to you Laudato Si!

We have a duty to our mother earth,
She's not ours to use
We're called to serve,
With dignity, with dignity

Every action, makes a difference
every voice, has a mission
Oh we can hear the cry of mother earth
I see beauty all around me
The earth is a treasure to be-hold
The mountains and valleys the rivers and
seas
Are telling the story of your love for me
Praise be to you Laudato Si!

Your creation sings your name,
Your creation gives you praise.
Your creation sings your name,
Your creation gives you praise.

I see beauty all around me
The earth is a treasure to be-hold
The mountains and valleys the rivers and seas
Are telling the story of your love for me
Praise be to you Laudato Si!
Praise be to you Laudato Si!
Praise be to you Laudato Si!
