- Inferring characters' feelings from their actions and justifying inferences with evidence when reading.
- Describing settings, characters and atmosphere in narratives and integrate dialogue.
- Carefully structuring texts with a range of organisational devices, including time connectives, paragraphs, headings, bullet points, underlining.
- Features of persuasive writing and adapting writing style for different audiences
- Assessing and improving the effectiveness of their writing.

Mathematics

Place Value:

Read Roman numerals to 1,000 (M) and recognise years written in Roman numerals Addition and Subtraction

Add and subtract numbers mentally with increasingly large numbers Statistics

Identify multiples and factors, including finding all factor pairs of a number, and common factors of two numbers • Solve problems involving multiplication and division, including using their knowledge of factors and multiples, squares and cubes

Identify, name and write equivalent fractions of a given fraction, represented visually, including tenths and hundredths

RE

Creation and Covenant

In this unit, children will learn about Moses, including the Burning Bush and the Ten Commandments.

They will explore God's covenants with Noah, Abraham, and Moses, and understand how the Ten Commandments and Jesus' teaching to love God and others guide Christians in making good choices.

Children will also learn about sin and virtues, and how positive habits help people live good and caring lives.

Science

Space

- Can show, using diagrams, the movement of the Earth and the Moon
- Can show using diagrams the rotation of the Earth and how this causes day and night

Computing

Online safety

Understand how to protect personal information
The positives and negatives of online communication
Checking the validity of information online
How to deal with online bullying
How technology can affect health and well being

Space

Year 5

Autumn Term 2026

September—October
