DB primary

St George's Catholic Primary School
Primary Learning Cloud

What is DB Primary?

DB Primary is our school's 'Primary Learning Cloud'. The Primary Learning Cloud is a safe area on the internet for pupils, and members of our school community to access a range of learning resources.

DB Primary is specifically designed to improve digital literacy standards for primary school children and support the teaching of online safety. Included are online activities for Maths, English and Computing.

Practical benefits for pupils:

DB Primary will enable pupils to:

- ✓ Access learning materials to support what is taught in school
- ✓ Improve their ICT skills

Practical benefits for parents & carers:

DB Primary will enable parents and carers to:

- ✓ Support children with learning which takes place outside school

If you do not have a computer with internet access, please let your child's teacher know. Time can be allowed in school, for your child to access DB Primary.

Please note that **DB Primary does not filter the internet**. You need to have your own internet firewall and parental controls set up.

Guidelines for children

Please reinforce these Children's Guidelines with your child at home. Anything your child puts onto DB Primary can be seen by members of staff.

- Sensible behaviour when using the emails / blogs or forums.
- Make sure that any pictures you upload (profile picture, or pictures in posts) are suitable for a school audience.
- Keep your personal details, password safe.
- Write in full sentences.
- Sensibly express your opinions in forums.
- Email your friends outside school time.
- Share links to sites by posting them in your blog / forums.
-

Whistle alerts: Reporting inappropriate content

Inappropriate content can be reported to staff at the school by clicking on the whistle icon. A pop-up will appear to allow an explanation to be entered. The alert is sent to delegated DB Primary 'whistle monitors' at the schools.

The Whistle Monitor ensures that children are able to use DB Primary in a safe and secure way.

Internet safety websites

It is important for our pupils to use the Internet safely at school and at home. Please spend some time looking at these online safety websites:
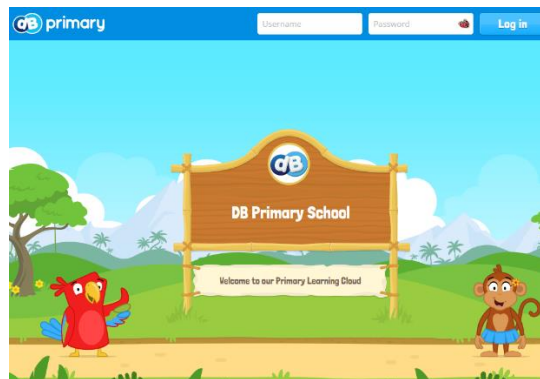

Think you know

How to log into DB Primary

You can find our school's DB Primary login page on our school website: www.st-georges.enfield.sch.uk under the Curriculum tab in the Children's Zone or via this address:

http://www.st-georges.enfield.dbprimary.com

When on the login page, just enter your DB Primary username and password*.   You will now be logged into DB Primary – We hope you enjoy using it.

* If you forget your login details, please ask your teacher.
