SENCo: Mrs J Burke

Next Week in School

Friday 25 February
Mass at 2pm

Tuesday 2 March
World Book Day at St George's

Quiz Night

Well done to Mrs Corcoran and family who were the winners of Helping Hands' first ever quiz event! It was a fantastic night with lots of laughs, great dance moves and some very speedy quiz responses! The best part about it was that we raised £350 for the junior playground!

It was such a rip-roaring success that we have arranged another quiz for Friday 12th March at 8pm. Tickets cost £10 per household. Buy your tickets here: ticketsource.co.uk/helping-hands-at-st-georges-rc-primary-school

Parental Consultations

Our parent consultations have been arranged for Tuesday 23 March and Wednesday 24 March. They will, as our previous meetings, be held online. Further details will be communicated to you soon.

Our Mission Statement

Following Jesus and His way, we
Aim to be the best we can be and to respect everyone. We
Inspire each other to learn, play and pray
Together as children, staff, home and Parish.
We grow in
Holiness by putting Love into Action every day.

A prayer remembering God is with us

Lord God, you are always with me.
You are with me in the day and in the night.
You are with me when I'm happy and when I'm sad.
You are with me when I'm healthy and when I am ill.
You are with me when I am peaceful and when I am worried.
Help me to remember that you love me and are with me in everything today.
Amen.

We are looking forward very much to welcoming back all our children on **Monday 8 March**, for our classrooms to be filled with the buzz of the children and for our playgrounds to sing to the sound of their laughter. There will be a number of rules that we all must follow to keep our school site as safe as we can possibly make it and these will be communicated in more detail next week. Importantly, we have been asked to continue with staggered start and finish times much as we did in September. Please join us for our Mass tomorrow (Friday) at 2pm. Fr Daniel will be saying this special live-streamed Mass to help guide our Lenten journey. We will be celebrating World Book Day on Tuesday next week. Information about how we will be marking the event was distributed earlier in the week. We are delighted to support any event that encourages a love of reading. Despite the successful roll out of the Coronavirus vaccine, we must remain vigilant. Please keep your families and yourselves safe and we look forward to welcoming you back a week on Monday.

Play Equipment

We are preparing to once again open up the play equipment in the Key Stage One playground for the children to use during play and lunchtimes. The equipment will only be used by year group bubbles on a rota system and at certain times. In order to protect the children at this time and for health and safety reasons, we ask for your support in ensuring that your children do not use or even touch the equipment before and after school. If anyone walks over or climbs on the equipment in this way it will mean that the whole apparatus will be out of use for the next two days, spoiling the fun for the children.

World Book Day

This year, St George's will be celebrating World Book Day on Tuesday 2 of March. It is a special day with the main purpose of encouraging reading and the love of books. Teachers and children will take a photograph of themselves reading their favourite book in unusual places to upload. There will be special reading activities on the day. There is a special assembly at 10.30am by David Williams (years 3-6).

"Seek a relationship when you pray, not answers. You won't always find answers, but you will always find Jesus."
(Father Mike Schmitz)
