Uniform

School uniform is very important. It creates a sense of belonging and looks smart. We want to ensure that all our children can look smart and think smart! Our winter uniform is white shirt and school tie with a navy blue jumper or cardigan. Grey trousers or skirts should be worn along with grey tights or white socks. Please ensure that your children wear smart, sensible shoes to school, and not trainers. Finally, our lovely school fleece jackets, perfect for winter days, are available from Smiths Schoolwear on Lancaster Road. Don't forget to label everything with your child's name and class.

Year 6 Parents - please look out for information being sent to you for our first ever 'Maths Workshops'

COVID Catch Up

Please be vigilant to the signs of Coronavirus:

Since resuming in September, we have had **two hundred and four** positive COVID cases amongst the children. Please ensure that testing is carried out at the first sign of a high temperature, a new, continuous cough or a loss of taste or smell. Testing is important as many of the cases that we are hearing about in our school community are asymptomatic. Make sure you leave a LFT for the full duration before reading the result! For the **fourteen** of you who are currently absent, we wish you a speedy recovery and look forward to having you back with us soon.

Please keep reporting new cases using the school website as this is very helpful to us, and includes cases within your family.

Play Equipment

We are delighted to have wonderful new play equipment in the key stage 2 playground. This has been possible

because of an incredible fundraising effort by the Helping Hands team over the past few years, particularly impressive when one

considers how many events have had to be cancelled through the COVID pandemic. The team have found all sorts of creative ways to raise the funds to make what was once a distant dream into a reality.

"Seeing the sun, the moon and the stars, I said to myself: Who could be the Master of these beautiful things? And I felt a great desire to see him, to know Him and to pay Him homage..."

(St Josephine Bakhita, feast February 8th)

For those of you who drive your children to school, please

- **Drive carefully** on the roads surrounding school
- **Park considerately** to our neighbours
- Turn your **engine off**, not leave it running while parked
- Make every effort to walk all or some of the way to school if possible. It's healthy and good for the environment

Please talk to our neighbours, and each other, with courtesy and respect. The easiest way to avoid confrontation if you need to drive is to park a few streets away and enjoy the very short walk to school.

TTRockStars – Leaderboards as at 26th Jan

Highest coins over last 7 days:

Year 2: Oscar LCJ; Harrison B; Daniel DG,

Year 3: Mirabelle O; Petra T; Sebastian Cooke,

Year 4: Alexander G; O; Viktor M.

Year 5 and 6: Clara LCJ; Kristupas P; Freya T

Well done to everyone who is playing – our school is 15th on the leader-board in our local area. Can we move back up the leaderboard?

Join in the 4th February for the NSPCC Number ROCK competition.

Please observe the **One Way System** in the school playground

Going the wrong way through the link corridor causes bad congestion, and while COVID is still a threat, it also causes a potential health threat.
