### This Week's Merits

### Early Years Praise

I would like to extend huge congratulations to all the staff who work in our reception classes following a visit last Friday by the local authority. The visiting adviser was full of praise for the provision being made for our fantastic reception children and we are delighted for all concerned. Well earned indeed!

Congratulations to our year 6 children for working so diligently this week during your SATs. We are all very proud of you. It is a very stressful time for the year 6 staff too, so the children will not be the only ones glad to see the back of this week!

Thank you to the parents of 4OS for navigating your way to the music room to join your children for the Rosary yesterday. At least we could be holy and avoid the rain! There may be a couple of rainy days next week, judging by this morning's forecast, so we will try to make things as clear as possible, but let's hope for the weather that enables us to enjoy the tranquillity of our Rosary Garden.

### Parent Governor

The great news is that we have more than one nomination for our vacant parent governor position. This means that there will need to be a vote. Today all parents will receive a voting slip and an envelope, with full instructions on how to vote, the latter by email. I will also publish these instructions on the school website for reference. Each parent is entitled to one vote and we will distribute the materials according to the information that we hold at school. If you receive the wrong amount of envelopes, please just email us and we will try to sort it out - it is quite a logistical operation!

The votes will be counted on Thursday 26 May, which will also be the deadline day for voting. Look out for the special ballot boxes in each playground over the next 10 school days.

### Book Fair

Thank you to everyone who visited our book fair. It was lovely to see everyone leaving with shiny new books and stationery - presents for parents obviously! A big thank you to Mrs Smith for organising it again, and all the staff who helped her each afternoon.

"Saint Pancras, you gave away your young life rather than offer worship to a false god. May your example inspire, and your intercession strengthen, all young people to put love of God above all else. (fast day May 12th)

For those of you who drive your children to school, please:

- **Drive carefully** on the roads surrounding school
- **Park considerately** to our neighbours
- Turn your **engine off**, not leave it running while parked
- Make every effort to walk all or some of the way to school if possible. It's healthy and good for the environment

*The weather is lovely at the moment - walk at least some or all of the way to school whenever you can.*

## The Rosary - Come and Join Us

May is the month of the Rosary and we invite parents to come and share a decade of the Rosary with their children after school. We will pray this special devotion in our Rosary Garden at the heart of our school.

**F**ollowing Jesus and His way, we

**A**im to be the best we can be and to respect everyone. We

**H**oliness by putting Love into Action every day.

## TTRockStars

**TTRockStars results – up to 11th May:**

Year 2: Carissa S (2B), Camil O (2NS) and Fiona C (2NS)

Year 3: Petra T (3S), James K (3S) and Xavi M-G (3S)

Year 4: Samuel D (4BC), Jasmine C (4S) and Viktor M (4BC)

Year 5/6: Kristupas P (5MR), Oliver C (5MR) and Annie B (6M)

Compared to nearby schools we are 15th. The average amount of time that children played for last week was 8mins 45 seconds and the accuracy rate was 89%. TTRockStars is very effective for learning the times tables and related division facts if it is played little and often. This means a small amount of time every day – could you manage 8 minutes every day?

The more you do, the more challenging it gets. Ask your class teacher for the username and password. You can access TTRockStars through

## Sports Day Dates

This year we are going to run our sports days in year groups over the period of a week...so a Sports Week! The specific date for each year group is being finalised and we will let you know as soon as possible as we realise many of you will want to arrange time off work to attend. Sports Week is week beginning Monday 11 July. Miss O'Toole, our PE lead, has dedicated a lot of time to ensuring that the children will all enjoy a range of enjoyable activities during Sports Week, and we are really looking forward to sharing it with parents again.

**Walk to School Week** Next week is walk to school week, 16th May- 20th May. There are many benefits to walking, it supports both mental and physical health and is also good for the environment. Why not set yourself a challenge to try to walk part of the way to school, or all the way next week
