For those of you who drive your children to school, please:

- Drive carefully on the roads surrounding school
- Park considerately to our neighbours •
- Turn your engine off, not leave it running while parked
- Make every effort to walk all or some of the way to school if possible. It's healthy and good for the envi-

Book Look

ronment.

Each year we invite parents to come into school to spend some time with their children looking through their school books together. This quality time allows parents to see how the children have been doing in their classwork, see for themselves the children's strengths or any areas for development. This will allow parents the chance to support their children's learning in an even more informed way as they begin to prepare for moving up a year group in September. The Book Look sessions are:

Monday 3 July

Year 6 all classes 9:10am 1A - 2pm, 1DS - 2:30pm, 1W - 3pm

Tuesday 4 July

Year 5 all classes 9:10am

3A - 2pm, 3F - 2:30pm, 3S - 3pm

Thursday 6 July 2B - 2pm, 2K - 2:30pm, 2NS - 3pm **Tuesday 11 July***

4GC - 2pm, 4OS - 2:30pm, 4P - 3pm

We look forward to welcoming parents on these dates. You must register your attendance in advance via the school website (Parents' Information > Parent Forms'). Please do not turn up on the day as your child and their books will not be there for you!

* Please note the change of date due to NEU strike

Healthy Eating Week 2023

Last week we celebrated the British Nutrition Foundation's Healthy Eating Week. Throughout the week, the children were taught about the five main themes which were:

Focus on Fibre, Get at least 5 a Day, Vary your Protein, Stay Hydrated and Reduce Food Waste. The children had discussions around how to eat a balanced diet and how they could improve their daily habits to make sure they were keeping their bodies healthy. I was very impressed to see the children ensuring they were drinking plenty of water after learning how many glasses they should be drinking each day!

If you would like to find out more about the week or have a look at some of the work the British Nutrition Foundation does, there is lots of useful information on their website at nutrition.org.uk

Mrs Byfield

Judaism

On Monday 19th June, we welcomed Rabbi Danny Rich from the

Southgate Progressive Synagogue. Rabbi Danny delivered an assembly where

he prepared a 'lucky dip' box full of Jewish artefacts which the children eagerly chose from. The children had a great go at guessing what each artefact could be, including a menorah, tallit and gragger. He then explained the meaning of each one and spoke about his faith and what it means to be a Jewish man and a Rabbi. Following the assembly, the children completed activities related to what they had learnt. We learn about other faiths at St. George's because we wish to love our neighbour and respect and esteem his or her culture. By entering into a dialogue with people from other faiths, we also learn how to live peaceably with difference. It is also an important British value with regards to tolerance of different faiths and beliefs.

Upcoming Dates

Advance warning of some key school dates. The school calendar is constantly updated on the school website, under the parents information section.

June Fri 30th

Reception Sports Day Year 5 attend Mass at Church 10am

July

Fri 21st	School Mass
	School closes for the summer break 2pm
Orinterreturn	
September	

Tues 5th Term beains Mon 18th Year 6 Secondary Transfer meeting 6pm

Mrs McGivern

Sports Days

We have enjoyed a wonderful week of Sports Days since. The NEU has informed schools that it has called its Monday, when year 6 set the gold standard and have members to strike on a further two days: Wednesday done a marvellous job of using their experience to assist 5 July and Friday 7 July. at the subsequent events for the younger year groups. A Wednesday 5 July massive thank you to Miss O'Toole for all the work she I will inform parents, as on previous strike days, as has done to organise these events, and particularly the soon as possible about the impact of the strike action, recent changes that have resulted in the children being far, namely which classes will remain open. more active and for parents to be able to enjoy their sport. The Year 5 taster day has been cancelled by the secing endeavours for a longer period of time. I really en- ondary schools, as has the science fair that was takjoyed chatting to many parents on Tuesday and was delighted to hear how much you were enjoying the event. inform year 5 parents in the usual way if classes are Those parents races were very competitive!

Yesterday, the decision was made to postpone the year 1. The Breakfast and After School Clubs will operate for sports day scheduled for this afternoon. The forecast was registered pupils who are at school on that day. for rain throughout the day, turning heavy in the after- Friday 7 July noon. We do not take such decisions lightly and the last School is closed to pupils as it is a teacher training thing we want to do is to be forced to postpone at the last day. If the training does not go ahead, there are no minute. That is the worst outcome for parents.

Unfortunately, as can happen with these dilemmas, the have been concerned that another date in July would forecast has changed and the heavy rain has not materialised. We are very disappointed although it has rained and the ground is soggy and slippery, so not ideal conditions. The rearranged event will be on the morning of Thursday 6 July. Gates will open at 9:45am for a 10am start.

Disney Day

Each summer term we try to pick an imaginative topic for our children to study in their classes, often reflecting wider events or issues. This year, it is '100 Years of Disney.' This offers us a wealth of material from lovable stories to more challenging themes. We have designated Tuesday 18 July 'Disney Day' at school. Children are invited to wear their own clothes that reflect a Disney theme or topic. They can even dress up as a Disney character if they wish. However, as always, the last thing that we want is for parents to go to unnecessary expense as this is purely meant to be a fun day to round off enjoyable topic.

Strike Days

open.

plans to reschedule this day. I know some parents be chosen.

School Reports

These will once again be distributed electronically on the following dates:

Monday 10 July	Reception
Tuesday 11 July	Years 3 & 5
Wednesday 12 July	Years 1 & 2
Thursday 13 July	Year 4
Friday 14 July	Year 6

We ask the children to complete their own report - a personal reflection on their year at school. It is an interesting and very important official document. On the above dates, the children will also bring paper copies of these home.

Year 4 visit Forty Hall
