For those of you who drive your children to school, please:

- Drive carefully on the roads surrounding school
- Park considerately to our neighbours •
- Turn your engine off, not leave it running while parked
- Make every effort to walk all or some of the way to school if possible. It's healthy and good for the environment.

Helping Hands Coffee Morning

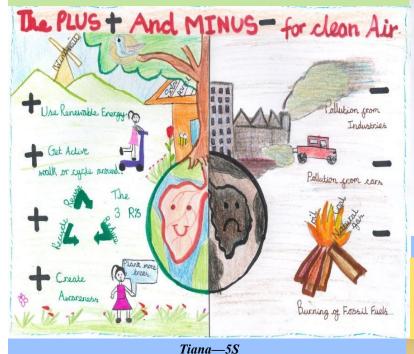

Please come and join the Helping Hands team this Friday morning at 9am for a coffee or tea and some freshly baked cakes. The coffee mornings that the Helpings Hands team organise are a great opportunity for parents to talk and get to know one another. As well as some amazing cakes—I have tested them on a number of oc-casions myself—there will also be an opportunity to pick up pre-loved items of school uniform. The Coffee morning will take place in the Scout Hut.

Happy School Bag collection

On Friday 10th November, there will be a Happy School Bag collection- please see the flyer enclosed with this week's newsletter for more details. Donations will be collected by the Scout Hut via the Halifax Road entrance. Please note that Helping Hands Team are currently not accepting any kind donations of school uniform and uniform cannot be accepted by Happy School Bag either.

Asthma and Lung UK Charity

In September, the Green Team helped to launch a poster competition to support the work of the Asthma and Lung UK charity. The Green Team chose to support the work of this charity as it aligned to the work they are doing to promote clean air. We were overwhelmed with the amount and quality of the entries- it really showed how well the children have responded to Pope Francis' call to Care for our Common Home. I am delighted to announce that two of our children won the competition! Congratulations to Valentina in 4A and Tiana in 5S for their wonderful posters. Their work will be included in the school resource pack that the charity will use in schools all across the UK.

Please find attached to this newsletter an **RE Newsletter** for Autumn term 2. This will provide information on what your child will be learning about in their RE lessons this term and how you can support them at home.

Catholic Social Teaching

At the end of the last half-term, the children focused on the Catholic Social Teaching principle of Care of Creation. The children learnt that the earth and all it contains has been created by God. They also learnt that it is a gift given to all for the good of all. The resources of the earth and not infinite and the children learnt how important it is to look after God's creation for now and for future generations. As Stewards of Creation, we have a special role to play. Through the children responded to our whole-school mission, they learnt how the way in which we care for the earth is another sign of how we are Christians, how we show God's love in the world and put our love into action.

'The world is a beautiful place, so we should take care of it. I will help by throwing away any rubbish and not wasting paper. I will do this because God has sent us all to look after this beautiful world.' (Dylan, 5S)

Thank you to Fr. Patrick for leading our Mass and Liturgy for All Saints Day.

Year 1's wonderful response to our Catholic Social Teaching lesson on Care of Creation.

Month of the Holy Souls

During the month of November, we will have a book of Remembrance in our school oratory. We invite you to send in a picture and name of your dearly departed loved ones to be included in our special book. Please place your photo in an envelope addressed to Mrs McGivern. Our thoughts are with all of those in our school community who have lost a loved one.

Eternal rest grant unto them , O Lord, and let perpetual light shine upon them. May they rest in peace. Amen.

Blue Peter Badge

A huge congratulations to Ethan in 5CN for receiving his SIL-VER Blue Peter Badge! We are very proud of you.

'I raised £618.08 for the Alzheimer's Society and their Forget-Me-Not Appeal. I raised the money by selling forget-me-not flowers at school and at church over 2 years. I did this because my Great-Granny has dementia and I don't want anyone else to face this too.'
