### This Week's Merits

Each week, teachers nominate children in their class to receive a special merit. This could be in recognition for working hard, achieving something particular, being a good friend, or any number of reasons that show that they are living up to the school motto - 'In everything we do today, we are following Jesus and his way.' It is lovely to be writing the introduction to this newsletter with the first strains of Christmas hymns and carols coming from Mr Cox's music session in the hall with our youngest children. Advent is nearly upon us and information regarding our performances, liturgies and services is outlined later in this document.

Mrs McGivern attended an RE conference last week and one of the sessions was led by none other than our very own assistant priest, Fr Patrick. We have enjoyed using his Christian Art resources for some time now so it is wonderful to have him working so closely with our school now.

### Parent Governor

A letter was distributed with last week's newsletter alerting you to an opportunity to become a parent governor for the school. The letter explains how important a role this is, and how you can obtain additional information should it be a role that you would consider. Additional information is on the school website.

'school information > governors > parent governor'  
The deadline for nominations is **Friday 24 November**.

### Flu Vaccine

The school nursing team are due to come into school to deliver the flu vaccine on **Monday 20 November**.

All children in reception through to year 6 are eligible for this vaccine. Once again this year, they are offering the flu nasal spray and also the injectable version which does not contain porcine gelatine.

A recent letter contained a link to the online eConsent form.

For further information, visit [www.saisenfield.co.uk](http://www.saisenfield.co.uk) It is important to complete the form whether your child will be receiving the vaccine or not!

"Since love grows within you, so beauty grows. For love is the beauty of the soul." (St Augustine)

For those of you who drive your children to school, please:

- **Drive carefully** on the roads surrounding school
- **Park considerately** to our neighbours
- Turn your **engine off**, not leave it running while parked
- Make every effort to walk all or some of the way to school if possible. It's healthy and good for the environment.

## Courtyard

We are currently developing the area that we often use for admitting parents into school for performances, and for dismissing children following clubs. Accessed via the Gordon Road gate and following the walkway past the year 5 classrooms, the area is convenient but undeveloped. As it forms the shape of a courtyard, we are improving it so that it has a clearer identity and provides a nicer experience for waiting parents.

From now on, the entrance will be known as The Courtyard.

To improve the area, we want to add some interest and colour with flowers, etc. If any parents have surplus flowers/ planters that they would consider donating to the school, please contact me via the school office.

### Immunisations For Children Attending School, College or Universities

Vaccines help to protect your child from many serious and potentially deadly diseases. It helps to protect other people in your family and community by helping to stop diseases spreading to people who cannot have the vaccination. They prevent millions of deaths worldwide every year.

The School Aged Immunisation Service administer vaccinations in schools and hold catch-up clinics for children who have missed any immunisations.

**For Pre-School Boosters** Please contact GP.

**Flu** Year group changes each year depending on NHS requirements.

**HPV and MMR** Year 8 (these are normally done at school).

**MEN ACWY, Diphtheria, Polio, Tetanus** Year 9 (these are normally done at school).

#### Important

- **2 doses of MMR vaccine** There are outbreaks of mumps and measles at universities (your GP can provide this vaccination)
- **HPV vaccine** Helps protect against genital warts and cancers caused by the human papilloma virus (HPV) such as cervical cancer.

It was wonderful to be present for so many of the auditions for Class Act yesterday. The children who participated were all very brave and talented. There was singing dancing, gymnastics, comedy, magic and music. Some of the children had even written their own songs. The judges from 'Make Believe' were very impressed with the standard of the performances and all who performed will receive a special certificate. An amazing 48 children auditioned, but there can only be a small number of winners who are...to be announced in assembly on Friday!

Well done everyone who took part. You were brilliant!
